

## **Minutes from Parkwood Residents Association Spring Meeting/Picnic, June 2, 2019**

A neighborhood gathering with food and music took the place of a formal PRA meeting this year. PRA members and friends gathered by the “Maypole” on the Wildwood Road island to chat with neighbors, meet new friends, snack on goodies, and enjoy music. About 25 persons attended, some with children and a couple of small dogs.

Lively music was provided by Parkwood resident Rob Howe and the Wildwood Combo.

The weather was cool and pleasant—until a few raindrops started to fall. Fortunately, the musicians had the foresight to perform under a shelter. We covered the food and stayed conversing beneath the trees until rumbles of thunder convinced us that it was time to disperse.
