INSTRUCTIONS FOR COMPLETING THE SURVEY

Thank you for taking the time to complete this survey. It is worth the effort because the results will have a significant effect on which components of the Parkwood Drive plan are implemented and which are not.

The survey will close at midnight on Sunday, November 8, 2026. If you are committed to completing it but cannot make that deadline, please email Jeff Griffith at jeffgpra@gmail.com. If you have questions about the survey, please also contact Jeff Griffith at the same email.

The first few questions ask for some personal information so we can confirm you are a resident of Kensington Estates or Parkwood. This information will not be known by or shared with anyone except the two people responsible for preserving respondents' privacy.

Each resident of voting age in Parkwood or Kensington Estates may complete the survey.

Once you begin, you may go back and forth between questions if you want to change any of your answers. Unfortunately, if you leave the survey before submitting it, your responses may not be saved unless you had or have a Gmail account. To help alleviate this potential problem, we recommend that you review the brief descriptions of the Traffic Calming Measures and also look at the diagrams of each segment of Parkwood Drive in the plan before you start the survey. A picture of each segment can also be viewed on a link as part of questions 3.1-3.8. This may also help you complete the survey more quickly.

You may begin the survey by clicking on this link whenever you are ready.
