Section 4: In this section you can say whether the plan will impact you, and if so, how.

4.1 Overall, what effect, if any, do you expect the proposed Parkwood Drive plan to have on your household? (Select one response.) All percentages are based on 254 responses.

Impact Rating	Responses	Percent
Positive impact	122	48.0%
Mixed (positive & negative)	58	22.8%
Negative impact	42	16.5%
No direct impact	16	6.3%
Other / unspecified	16	6.3%

4.2 If it will affect you positively or negatively, please explain how.
Answers to this question will be listed in a separate document to be made available later.

4.3 What potential effects of the plan, positive or negative, are most important to you? (Check all that apply)

Key Resident Priority	Responses	Percent
Improved pedestrian safety	194	76.4%
Easier / safer street crossings	186	73.2%
Reduced vehicle speeds	149	58.7%
Improved access to park/trails	132	52.0%
Emergency vehicle access	65	25.6%
Bicycling / other travel forms	55	21.7%
Changes to parking availability/access	38	15.0%
Driveway / home access	24	9.4%
